## A Note From Rabbi Jason Holtz

### Forty Years

Numbers have lots of meaning in Judaism. God is One, life, chaim, is eighteen, and forty too has lots of symbolism. Moses was forty years old when he fled Egypt to spend forty years shepherding a flock of sheep. He then heard from God out of a burning bush and returned to Egypt to free the Israelites. Moses and the Israelites then spent forty years traveling from slavery to freedom in the Promised Land. Moses spent forty days and nights on top of Mount Sinai-twice-to receive Torah from God. Whether it is forty days or forty years, the number forty is meant to signify that a period of time is transformative.

This year, Temple Kehillat Chaim is celebrating its fortieth anniversary. We had a wonderful gala last month and will continue to celebrate all year long. But it's more than just a number we're celebrating. We're celebrating forty years of transformative community. Our name, Kehillat Chaim, a community of life, is an appropriate name for us. Being a part of our Jewish community can uplift our lives. Together, we learn, we share special moments, we build and deepen friendships, and more.

But while the number forty has special symbolic value, it's not magic. We're not just celebrating the time that our congregation has existed, but we are also celebrating all that people have done to make this place special. Rabbi Winokur, Alan Abrams, numerous lay leaders and volunteers, staff members, community members, and more poured their time and energy into this place to help make it what it is. As we celebrate forty years from 1982-2022, let us learn from their example, and commit to making TKC special in the next forty years as well.

## News from the TKC Office

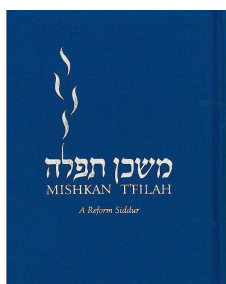

***We are delighted to have Amy Deich join our staff as the Administrative Director.***

Amy (Rossman) Deich grew up in Wayland, MA, as part of a founding family at Temple Shir Tikva, a Reform synagogue. She was very involved in all areas of synagogue life and became an active participant in the temple youth group (STIFTY, which was part of NEFTY at that time) during High School. Amy attended Union College in Schenectady, NY where she received her B.S. in Psychology in 1998, and later received her M.A. in Child Development from Tufts University in Somerville, MA. Amy worked in the Boston area for a number of years in child development and early intervention, before moving to San Diego, CA. While in San Diego, she worked with children and adults with developmental disabilities at the county's Regional Center. In 2006, Amy and her husband Sam moved to Roswell, GA and she began working as a Family Support Coordinator at Sheltering Arms Child Development Center in Chamblee. Amy worked there for 3 ½ years before becoming a full time stay at home mother to her two daughters, which also allowed her time to volunteer within the community.

Amy and Sam spent their first few years in GA looking for a Jewish home, and after attending High Holiday Tot services with Caroline & Danny, they knew Temple Kehillat Chaim was the right place for their family. Both daughters, Emily and Talia, attended preschool at TKC, and Amy coordinated the Tot Shabbat monthly program. Amy later served on the Board of Trustees, Education Committee and the Rabbi search committees. The Deich Family moved to Plano, TX from 2018-2021 where they were members of Temple Shalom in Dallas, but then returned to Roswell and their community at TKC.

Amy continues to volunteer with her kids' schools through PTA and other organizations. She spends much of her time driving her daughters to and from rehearsals and performances for their various theater programs, but also can be found happily reading on their screened in porch with an iced coffee in hand.

Going forward, some Shabbat services will no longer be led with the prayers on a slideshow. Prayerbooks will be available for those who attend in person. For those who attend on Zoom, the prayerbook, *Mishkan T'filah*, may be accessed either on-line or a hardcover is available to purchase. It is available free-to-use online at <https://www.ccarnet.org/publications/mishkan-tfilah-for-shabbat/>. To purchase, it is available either as a Kindle e-book or a physical hardcover on Amazon or the CCAR Press website – <https://www.ccarpress.org/>. *Mishkan T'filah* is available either as a one-volume book or as a two-volume book. Either can be used to follow our Shabbat services.

## News from TKC President Alan Abrams

### Stronger Than Ever

It is with mixed emotions that I am writing this last monthly message to you as TKC's president. I am a bit sad that my second opportunity to serve as president is ending, but I'm also very proud of all we've accomplished in the last two years.

When my current term began in April 2020, the pandemic was just beginning. It was a particularly critical time for our congregation, because of the uncertainties of what the pandemic would bring, combined with concerns about our temple's ability to withstand the financial challenges that we might face during the uncertain times ahead.

Temple leadership had already made the decision to temporarily suspend in person services or other functions in the building and move everything online. I figured that status might continue for several months based on the best scientific projections at the time. Of course that was a drastic underestimate!

Nevertheless, now at the end of my second term as your president, I am very proud that TKC has not only survived the last two years, but I believe we're stronger than ever, thanks to so many of you who have contributed your wisdom, love and financial support.

We persevered through perhaps the toughest two years in our long history. We overcame incredible obstacles because so many of you stepped up in so many important ways. Those of you who were able to make donations to help bridge the gap were essential in our strengthened financial position. Those who chaired committees and served on the board, and many more of you who joined with them in activities on Zoom, helped our physical distance to feel somewhat less than it actually was. Throughout we stayed connected and we remained a kehillah.

Thanks to the generosity of so many of our members, we are emerging from the dark days of the pandemic

much stronger financially than any point in recent years. Our High Holy Day and year-end appeals in 2020 and 2021 were two of the most successful in TKC's history. In addition, we have created an endowment fund to help protect TKC's financial position for future generations.

Even though the pandemic turned everything upside down, we still kept our sacred community alive and thriving. I believe the spirit of our kehillah remains as strong as ever. It was wonderful to celebrate our 40th anniversary with many of you a couple of weeks ago. It has been a long time since we could all be together and without masks and without fear. I think it was one of the best parties we've had in a long time!

And not only was it a lot of fun, but it was a successful fundraiser as well. It was just another example of the resilience of our temple.

I have been honored to serve as our temple's president during these turbulent and unprecedented times. As we continue to celebrate our 40th year as a congregation, it's very important that each and every one of us continue to find ways we can help the kehillah and influence our future in a positive way. I believe the most important dynamics of our kehillah are actually very much the same today as they were we began 40 years ago. I see the same spirit of community and fellowship, clearly demonstrating how wonderful and supportive our kehillah still is today.

It has been a true blessing for me to have the opportunity once again to help lead our sacred community. I am very proud of what TKC is today, and I am incredibly excited about our future!

And now I get to re-join an exclusive group I created in 1985 – TKC's Past President's club!

*Alan Abrams*

# Sisterhood

Spring greetings from the Sisterhood! We had a great time at our outdoor dinner at PURE on February 24th. Thank you to the ladies who attended!

We had our 9th Annual Women's Seder on March 27th at 4:30 pm, with Shari Naman as our hostess. It was such a fun evening of Sisterhood fellowship and Passover traditions!

There is a delicious event coming up on Sunday, May 1st at Chamberlain's Chocolate Factory on Old Alabama/Holcomb Bridge Road. It is from 4:00-5:30 pm and is limited to 15 people on a first come, first serve basis. You must RSVP ASAP to hold your spot. It will fill up quickly! We will make chocolate covered strawberries along with other treats that we will eat and take home. This will be a celebration party, as Debbie and I are transferring our Sisterhood Co-President titles to Stacy Lampert and Sara Polikov. They have graciously accepted these positions. We are excited to pass the torch to these wonderful ladies! Debbie will stay on as the Treasurer. Please join us in welcoming Stacy and Sara to their new roles!

Enjoy the beautiful weather, and we hope to see you soon!

*Judy Singer and Debbie Lutchen*  
Sisterhood Co-Presidents

We have become regular volunteers at the Pleasant Hill food pantry every other Thursday night in prepping bags that are distributed to those in need in the Pleasant Hill neighborhood. The pantry and the church are just five minutes from TKC. This is the oldest African American church in Roswell, starting during slavery. All who have participated have had an enjoyable experience. If you would like to volunteer for a Thursday night, please contact Shari Naman at [namanshari@aol.com](mailto:namanshari@aol.com).

## KLUB345

Klub345 had its annual Mitzvah day on Sunday, March 27th. We partnered with a former member who helped the kids make blankets for the children's hospital in Atlanta. Thanks to a generous donation by Michelle Wallace, we began our day with a taco bar and ended with our traditional Ice Cream Sundae bar.

Join us for Youth Engagement Havadah on Saturday, April 24th at 7:00 pm. We'll have the service, followed by the Kona Ice Truck and a movie under the stars!

## COLLEGE OUTREACH

We sent 24 boxes to our students for Purim that included Hamentashen, decorative masks, party beads, gum and of course, snacks. We also included a Starbucks gift card and a fun Purim Top 10 Countdown with each package. Big thanks to Kathy Starr who spearheaded this mailing, and to Jill Simon who wrote the cards!

We will be sending out a "Finals Box" by the third week of April, full of snacks to help the kids get through finals week.

## 40th Anniversary Party

The Temple Kehillat Chaim 40th Anniversary Party on Saturday evening, March 19th was a huge success. The 1980's style celebration, including dinner, dancing as well as trivia, games and a silent auction with great prizes was a ton of fun!

נשיא המדינה  
رئيس الدولة  
THE PRESIDENT

Jerusalem, March 10, 2022

Temple Kehilat Chaim  
Roswell, GA

Dear friends,

From the Office of the President in the heart of Jerusalem, I am delighted to join you as you celebrate 40 years to the establishment of your congregation, Temple Kehilat Chaim.

The world has changed quite radically over these four decades. However, our Jewish values, which highlight the importance of community, of praying together, of improving our world, of joining hands to reach out to those in need- these are more pronounced and significant than ever before. This is why it is heartwarming to see how the vision which motivated Rabbi Harvey Winokur and Alan Abrams to found a new synagogue, two generations ago, has materialized. Your congregation has grown beautifully, as has your impact on the broader community in Roswell, two feats worthy of celebration.

I wish you all, TKC members, many more communal celebrations. May your Kehila come together for joyous occasions, and may the Jewish People continue to be enriched by your spirit of friendship and Chessed.

מזל טוב!

Yours Sincerely,

  
Isaac Herzog

President of the State of Israel

## Religious School Update

March was a very busy month at the Mitzner Family Religious School! We started the month by having our first Family Shabbat Spaghetti Dinner, with students participating in the service afterward. We love seeing our students get onto the bimah to say a prayer or sing a song.

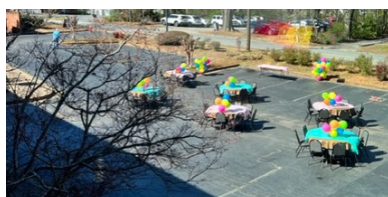

Then, we celebrated Purim on March 20th with over 100 attendees to our Purim spiel and party! Thank you to all of the performers in our spiel, led by Caroline Figiel and Danny, as we danced our way through our Grease-themed story of Esther and Mordechai saving the Jews from Haman (Booooo!). The party after the spiel had great food by the Varsity Food Truck and games from the 50s, including Connect 4, checkers, and Jenga. We also did some fun Mr. Potato Head building while our DJ, Klara from Pure Entertainment, led us in hula hoop contests and other fun games.

We ended March with a great 5th and 6th grade family Saturday morning Shabbat service. It's always great to see our rising B'nai Mitzvah students participate in this service as they get ready to take the bimah themselves in a few short years.

April will be a busy – and final – month of Religious School. We have our upcoming Passover Seder Plate experience, funded by a grant from the Making Jewish Places grant program from the Federation and in partnership with Seeds of Wonder Journey School. If you know someone looking for a religious school for next year, please invite them to join us for this free event! We need Seder plate volunteers so please let Michelle know if you can help.

May 1st is our last day of religious school for the year with a fun final day program for our students. Registration for next year will open soon! Returning families will have a streamlined registration process this year that you will hear about in email over spring break.
